

Court Booking Policy

The following policy is in place to try to ensure fair shared use of the tennis courts at Bracknell Lawn Tennis Club.

Court 5, being the only clay court, proves particularly popular with members for bookings and so an additional fair use policy applies to this court.

- 1) Courts are booked through the online booking tool. Courts are released automatically 10 days in advance. The time at which courts are released will be changed from time to time by the administrator.
- 2) A member is permitted to book up to 2 hours of court time per day up to 10 days in advance.
- 3) Members may book courts at a time in accordance with their membership category.
- 4) Court bookings must be cancelled at the earliest opportunity if they are no longer required so as to allow another member to book that court.
- 5) A member is only permitted to play on court 5 for 2 hours per day, whether by their own court booking or that of another member. (This does not however include times when the court is block booked for club sessions or coaching).
- 6) The administrator has the right to cancel or move any court booking if required.
- 7) If a member fails to comply with this policy, they may have their booking rights suspended and any of their existing booking(s) may be amended/cancelled by the administrator. Persistent failure to comply may result in the cancellation of membership.
